

# curriculum vitae

## Personal Information

Name **Nangah Suh Rene**

**Scientific Associations** Active member of:  
[ANMCO](#) Italian Association of Hospital Cardiologists  
[AIAC](#) Italian Association of Arrhythmology and Cardiostimulation

**Languages** English Native Language

**OTHER LANGUAGES** Italian Excellent (reading, writing and oral skills)

French Fluent (reading, writing and oral skills)

## Work Experience

- Date Since August 2008
- Organization AULSS N. 4 "Veneto Orientale" – P.zza De Gasperi, 5, San Dona' di Piave (Ve)
  - Sector State-Owned Health Company
  - Position Consultant Cardiology and Interventional Electrophysiology– Cardiology Unit
- Main Tasks and Responsibilities
  - 1) Research and training activities in the field of clinical and interventional cardiology, organization of training courses, main researcher in various multicentric clinical trials.
  - 2) Participation in the preparation and adjudication of public tenders in the Veneto region for electro-medical devices (pacemakers, defibrillators, loop recorders, electrode-catheters) in the field of cardiology.
  - 3) Preparation and updating of hospital protocols in the field of electrophysiology and cardiac stimulation.
  - 4) Reference Consultant for electrophysiology and cardiac stimulation in the Cardiology Unit carrying out the following tasks:
    - Manage a yearly budget of EUR 1,000,000.
    - Diagnosis and cure of cardiac arrhythmias. RF ablation of simple (TPSV, atrial flutter, atrial tachycardia, supraventricular extrasystole) and complex (atrial fibrillation, atypical atrial flutter, ventricular extrasystole) cardiac arrhythmias
    - Implant pacemakers and single-, bi-, and tri-chamber defibrillators.
    - Implant submuscular defibrillators.
    - Pioneer work in His bundle branch stimulation and transseptal left heart stimulation
    - Implant loop recorders.
  - 5) Clinical activity in the Intensive Cardiac Care Unit.
  - 6) Specialised outpatient clinical activity (ergometric tests, cardiac color-Doppler ultrasound, Dynamic ECG 24h).

- Date Since 01/04/2023 (parallel to my role as public hospital heart consultant)
- Organization MIGHTYONE SRL Medical Center (CENTRO MEDICO NANGAH)  
Via Versiola, 8 Portogruaro (Ve)
- Sector Private Medical Company (Principal specialities: Cardiology, Neurology, Orthopedics, Haemayology, General

Surgery, Plastic Surgery etc)

• Position	Scientific/Medical Director and Consultant Cardiology and Interventional Electrophysiology (I have not left my work as a consultant in the public hospital since 2008)
• Main tasks and responsibilities	1) Medical Director of the medical centre 2) Consultant in Cardiology and Electrophysiology *NB. I still continue my job as consultant in the public hospital since 2008
• Date	From August 2002 to 2006
• Organization	ASUITS ex ASL N.1 "Triestina" -Via G. Sai 1-3, Trieste ASUITS ex ASL N. 2 "Isontina" Gorizia ASL N. 4 "MedioFriuli" Udine
• Sector	State-Owned Health Company
• Position	General medicine practitioner
• Main tasks and responsibilities	General Medicine
• Date	2006 to August 2008
• Organization	ASUITS ex ASL N.1 "Triestina" -Via G. Sai 1-3, Trieste
• Sector	State-Owned Health Company
• Position	Medical Emergency Doctor (Emergency Service 118) in Trieste and the Trieste Province
• Main tasks and responsibilities	Provided urgent medical emergency services (118)

## Education and Formation

1995 to 2002	Faculty of Medicine and Surgery - Università degli Studi di Trieste (University of Trieste) - 6 yrs Course
Degree	Medicine and Surgery (M.D.)
2004 to 2007	Post-Graduate Studies in Cardiology - Università degli Studi di Trieste - 4 yrs
Degree	Consultant in Cardiology and Electrophysiology
2005-2006	Training course organized by the Friuli region for emergency doctors: competence and clinical practice in situations of cardiac arrest and various other medical emergencies. Certificates in basic life support ( <b>BLS-D</b> ), advanced life support ( <b>ALS</b> ), advanced cardiovascular life support ( <b>ACLS</b> ), basic trauma life support ( <b>BTLS</b> ), basic pediatric life support ( <b>PBLS</b> ). Degree Emergency Physician

## FELLOWSHIPS

- (1) From 2009 to 2010 attended Electrophysiology Section of the Cardiology Unit (Udine Public Hospital): training in electrostimulation
- (2) In 2011 attended Electrophysiology Section of the Cardiology Unit (Santa Chiara Hospital in Trento): training in Interventional Electrophysiology.
- (3) From 01/03/17 to 01/07/2017 attended Interventional Cardiology section, (Cardiology Unit, Cattinara Hospital in Trieste): training in Coronary Angiography

(4) 2018 Master's degree in the diagnosis and interventional electrophysiology of atrial fibrillation, Course Director: Dr. Gerhard Hindricks, sponsor ABBOTT SpA

## SCIENTIFIC WORK

### Public Speaker/lecturer (conferences/courses)

- 1) 03.01.2011: "Ablation of Supraventricular Arrhythmias: Where are we today?" (3 formation credits ECM) – Portogruaro (VE)
- 2) 12.02.2011: "Sudden cardiac death" (5 formation credits ECM) – Portogruaro (VE)
- 3) 20.05.2011: "Remote monitoring of pacemaker / ICD patients" (5 formation credits ECM) Portogruaro (VE)
- 4) 19.05.2011: "Outpatient follow-up of Pacemaker / ICD patients: Sorin" (7 formation credits ECM) – Portogruaro (VE)
- 5) 24.05.2011: "Outpatient follow-up of Pacemaker / ICD patients: Boston" (7 formation credits ECM) – Portogruaro (VE)
- 6) 30.05.2011: "Outpatient follow-up of Pacemaker / ICD patients: Biotronik" (7 formation credits ECM) – Portogruaro (VE)
- 7) 31.05.2011: "Outpatient follow-up of Pacemaker / ICD patients: Medico" (7 formation credits ECM) – Portogruaro (VE)
- 8) 01.06.2011: "Outpatient follow-up of Pacemaker / ICD patients: Medtronic" (7 formation credits ECM) – Portogruaro (VE)
- 9) 31.10.2011: "Outpatient follow-up of Pacemaker / ICD patients: Medtronic 2° Phase" (7 formation credits ECM) – Portogruaro (VE)
- 10) 02.11.2011: "Outpatient follow-up of Pacemaker / ICD patients: St Jude" (7 formation credits ECM) – Portogruaro (VE)
- 11) 04.11.2011: "Outpatient follow-up of Pacemaker / ICD patients: Medico 2° Phase" (7 formation credits ECM) – Portogruaro (VE)
- 12) 07.11.2011: "Outpatient follow-up of Pacemaker / ICD patients: Biotronik 2° Phase" (7 formation credits ECM) – Portogruaro (VE)
- 13) 08.11.2011: "Outpatient follow-up of Pacemaker / ICD patients: Boston 2° Phase" (7 formation credits ECM) – Portogruaro (VE)

- 14) 10.11.2011: "Outpatient follow-up of Pacemaker / ICD patients: Sorin 2° Phase" (7 formation credits ECM) – Portogruaro (VE)
- 15) 09/06/12: "Diagnosis and therapy for patients with heart failure" (5 formation credits ECM) – Portogruaro (VE)
- 16) 28/11/2012: "Syncope: towards a hospital protocol" (5 credits ECM) – Portogruaro (VE)
- 17) 19/12/2012: "Cardiology in the Eastern Veneto region: present and future" (4 credits ECM) – Portogruaro (VE)
- 18) 16/03/13: Project VOICE – "Evaluation and appropriate management of hypertension patients with a high cardiovascular risk" - Noventa di Piave (Ve) (6,5 credits ECM)
- 19) 15/04/2013: "Outpatient follow-up of Pacemaker / ICD patients: Sorin – Third edition" – Portogruaro (VE) (6 credits ECM)
- 20) 19/04/2013: "Outpatient follow-up of Pacemaker / ICD patients: St Jude – Third edition" – Portogruaro (VE) (6 credits ECM)
- 21) 22/04/2013: "Outpatient follow-up of Pacemaker / ICD patients: Medico – Third edition" – Portogruaro (VE) (6 credits ECM)
- 22) 26/04/2013: "Outpatient follow-up of Pacemaker / ICD patients: Biotronik – Third edition" – Portogruaro (VE) (6 credits ECM)
- 23) 29/04/2013: "Outpatient follow-up of Pacemaker / ICD patients: Boston – Third edition" – Portogruaro (VE) (6 credits ECM)
- 24) 03/05/2013: "Outpatient follow-up of Pacemaker / ICD patients: Medtronic – Third edition" – Portogruaro (VE) (6 credits ECM)
- 25) 11 and 25/11/2013: "Electrophysiology, present and future: RM compatible pacemakers and ablation of atrial fibrillation" – San Dona' di Piave (VE) (5 credits ECM)
- 26) 08/02/2014 Fill the GAP – "Clinical Practice guidelines and their application when dealing with hypertensive patients" – Noventa di Piave (6 credits ECM)
- 27) 15/03/2014: "The novel oral anticoagulants" – Portogruaro (VE) (2,0 credits)
- 28) 26/10/2015: "ECG diagnosis of electrostimulated patients" – Portogruaro (VE) (4,0 credits ECM)

- 29) 09/11/2015: "ECG diagnosis of arrhythmias aimed towards transcatheter ablation" San Dona' di Piave (VE) (5,5 Credits ECM)
- 30) 04/12/15: "Antiarrhythmic therapy of atrial fibrillation: from guidelines to clinical practice" – San Dona' di Piave (VE) (4,7 Credits ECM)
- 31) 06/02/2016: "Arrhythmology at ULSS 10 (a state-owned local health company): Medical and interventional therapy" – Portogruaro (VE) (4 Credits ECM)
- 32) 02/04/2016 CV Risk: Communication and counselling for patient adherence to treatment and cures" – Noventa di Piave (VE) (5 Credits ECM)
- 33) 12/07/2016: "Active Safe: Evidence of Safety in the application of NAOs (Novel Oral Anticoagulants)" – Udine (UD)
- 34) 29/11-02/12/2016: "Standard vs. extratoracic subclavian vein approach in pacemaker and defibrillator implanting procedure. A retrospective single-centre study" – International Symposium on Progress in Clinical Pacing 2016 Rome Italy
- 35) 21/01/2017 "Clinical cases in interventional cardiology" – San Dona di Piave (VE) (6 credits ECM)
- 36) 04/02/2017 "Project TAILOR: Integrated Antihypertensive Treatment: from guidelines to real world" - Mestre (VE) (7,6 Credits ECM)
- 37) 13/10/2017 "Focus on: NOACS(novel oral anticoagulants) in clinical practice" – Noventa di Piave (VE) (3,9 Credits ECM)
- 38) 07/11/2017 "Project LINK DIFFERENT 2.0" – Portogruaro (VE) (5,2 Credits ECM)
- 39) 27/01/2018 "Clinical experiences in interventional cardiology – Noventa di Piave (VE) 6 Crediti ECM
- 40) 24/03/2018 "From chronicity to emergency: the role of the family doctor"– Noventa di Piave (VE) (7.9 credits ECM)
- 41) 12/05/2018 "Clinical electrocardiography course" – Noventa di Piave (VE) (5.6 Credits ECM)
- 42) 07/06/2018 Expert meeting: "The fragile patient with atrial fibrillation: from NAO evidences to dealing with patients in clinical practice"– Noventa di Piave (VE) (5 credits ECM)
- 43) 11/12/2018 "Focus on NOACs in clinical practice" - Padova (PD) (3,9 credits ECM)
- 44) 15/05/2019 "Focus on: DOAC and the complex patient" - Noventa di Piave (VE) (3,9 credits ECM)
- 45) 02/10/2019 "Cardiology open-doors" San Dona' di Piave (VE) (9 Credits ECM)

- 46) 22/10/2019 "Cardiology open-doors" - San Dona' di Piave (VE) (9 Credits ECM)
- 47) 09/11/2019 "Sharing of experiences to improve therapy adherence in the case of the chronic poly-treated patient" - Noventa di Piave (VE) (6,0 credits ECM)
- 48) 10.12.2019 " Persistence and adherence to NOA therapy (PATERNO)" - Padova (PD) (5,2 Credits ECM)
- 49) 10.10.2006 "Cardio-circulatory arrest and basic resuscitation maneuvers" I edition - Monfalcone (GO)
- 50) 25.10.2006 "Cardio-circulatory arrest and basic resuscitation maneuvers" II edition - Monfalcone (GO)
- 51) 30.10.2006 "Cardio-circulatory arrest and basic resuscitation maneuvers" III edition - Monfalcone (GO)
- 52) 26.03.2022 "La Cardiologia del Veneto Orientale 2022: Present and Future - San Donà di Piave (Ve)
- 53) 05.11.2022 "Cardiologia a confronto" - San Dona di Piave (Ve)
- 54) 26.02.2023 "Clinical scenarios in cardiology" - San Dona di Piave (Ve)
- 55) 27.04.2023 "Live Roundtable: certitudes and incertitudes in HF treatment" - Live Roundtable online
- 56) 01.04.2023 "HEART: Importance of doctor-pharmacist-patient collaboration - Noventa di Piave (Ve)

**Researcher in the following international clinics:**

- 1) Optimization of coronary sinus lead placement targeted to the longest right-to-left delay
- 2) More Response In Cardiac Resynchronization Therapy With Multipoint Pacing (**MORE-CRT MPP STUDY**)
- 3) Association between air pollution and ventricular arrhythmias in high risk patients (**ARIA study**)
- 4) Optimization with the SonR method in the Clinical Practice (**studio OSCAR**)
- 5) **ETNA AF EUROPE** (Edoxaban Treatment in Routine Clinical Practice in Patients with non valvular atrial fibrillation)
- 6) **STUDIO BLITZ AF** (BLITZ ATRIAL FIBRILLATION)

**Scientific Articles**

- 1) "The progression of left ventricular systolic and diastolic dysfunctions in hypertrophic cardiomyopathy: clinical and prognostic significance. Journal of Cardiovascular Medicine. 11(9): 669-677, SEP 2010. Bruno Pinamonti; Marco Merlo; René Nangah; Renata Korcova; Andrea Di Lenarda, Giulia Barbat, Gianfranco Sinagra
